

# Anaplan Enablement

**You need know-how? We have that.**

Learning Center is the new generation of enablement at Anaplan. Start your journey with 101: Foundations, and successfully complete 102: Introduction to Model Building to become an Official Anaplaner. Broaden your skills in Intermediate Model Building and our Advanced Topics classes.

Anaplan offers training in multiple formats; pick the method that works best for you!

## On Demand

Made up of short video segments and hand-on activities, our On Demand courses get you comfortable with model building in Anaplan. Work through the course at your own pace while building a sample model in your own workspace. Test your knowledge by passing a final exams and practical exercises to certify your skills. Best of all, all On Demand classes are offered at no additional cost.

## Classroom

Want a bit more guidance? Register for an instructor-led class with one of our Anaplan Enablement Consultants and/or Solutions Consultants. Classroom training is available for Introduction to Model Building and Intermediate classes.

### Virtual Instructor-Led

These classes, held in EMEA friendly times, are scheduled at least quarterly. The class is conducted via web conference over three days. Please contact [enablement@anaplan.com](mailto:enablement@anaplan.com) for pricing.

### Classroom Instructor-Led

Conducted on site at our offices in San Francisco and Minneapolis, our monthly classes give you the opportunity to complete Introduction to Model Building or Intermediate modeling. Please note that there is a fee associated with this training – contact [enablement@anaplan.com](mailto:enablement@anaplan.com) for pricing.

## Private

Private training can be held on-site or virtually, taking place over 2, 3, or 5 days. As with classroom training, it's led by an Anaplan Enablement Consultant and/or Solutions Consultant. Please contact [enablement@anaplan.com](mailto:enablement@anaplan.com) for scheduling and pricing information, as cost varies by region. For Americas, private training is billed at \$4,000 per day.
